Sir:

**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants brings to the attention of the Examiner the documents listed on the attached PTO 1449. This Information Disclosure Statement is being filed within three months of the filing date of the above-referenced application.

Copies of the listed documents, U.S. Patent Nos. 6,051,381 and 5,468,619, and PCT/US96/09809 were previously submitted in a prior application, Application No. 09/203,681, filed December 1, 1998, upon which applicants rely for the benefits provided in 35 U.S.C. §120.

For the Examiner's convenience, copies of all of the listed documents, including any copending patent applications, are attached. In addition, a copy of the International Search Report for international application PCT/IB98/02085, the specification of which

is similar to the specification of the parent application 09/203,681 and the instant application, is also attached.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.
